Color Book Template #1b (for the pages)

from http://salmonandsouvlaki.wordpress.com/

When you print this, measure one straight side of the quarter-circle and verify that it measures **2.75 inches**. Place the quarter-circle in one corner of the 8x8 square from *Color Book Template #1a*, so that the corners of the quarter-circle and the square match. Trace the curve and cut it out so that your template looks like this:

**Quarter-Circle for
Color Book Template #1**
